Dear Mr. Duncan:

I would like to extend my sincere appreciation to you and your construction crew for the excellent work performed at KCHA's Southridge Apartments.

I have received reports both from the property staff and the residents regarding your crew. They say your team is both kind and considerate, taking time to explain to residents whenever possible about the work they are doing. Even with the existing language barriers of some residents, the crew is able to communicate what is taking place.

Everyone appreciates that before leaving for the day, the workers clean-up and vacuum the carpets. The Maintenance staff has remarked how clean the site looks at the end of each day. The Property Manager, Kathie Heffernan, told me that she frequently receives compliments from residents about the excellent work.

Please extend my gratitude to your crew for going above and beyond. It certainly shows.

Sincerely,

Mike Reilly
Senior Director of Housing Management
